

Chaperone Note

Thank you for volunteering to be a chaperone!

Your final cost is: \$16.97 PER CHAPERONE

You will lead a group of students though the museum. We have created a scavenger hunt that will help you see the best parts of the museum. You will get this scavenger hunt the day of the trip. It will also be worth a social studies grade to all members of your group.

Please have your child list students he or she would LIKE to be in his group.

We will do our best to accommodate these requests as closely as possible.

We do not have enough seats on the bus for every chaperone to be able to ride. Initially, we were not going to have any room for chaperones, but we now have limited spacing. If you would like to ride the bus, please indicate below.

We will randomly select those who would like to ride the bus if we have more requests than seats.

_____ I would like to ride the bus.

_____ I will take care of my own transportation to the museum.

_____ I am interested in carpooling. Please share my contact info below with other people looking to carpool.

Name: _____ Phone Number: _____

Email: _____
