Information to include on poster:

  You can use http://www.inrebus.com/latinmottogenerator.php to generate your own motto, or you can adopt an existing motto from http://latin.topword.net/?Motto or http://ablemedia.com/ctcweb/consortium/latinmottoes2.html
- **A description and picture of a Roman god who is most like you (20 points)**
  Choose a Roman god who you think is most like you. You can find a list of Roman gods here: http://www.tribunesandtriumphs.org/roman-gods/list-of-roman-gods.htm. *Include a drawing or a picture of the God, and an explanation of how that god is like you.*
- **An animal that is most like you (10 points)**
  Include the Latin name of the animal, a picture or drawing of that animal, as well as an explanation of how that animal is like you.
- **Your favorite color (10 points)**
  Write the name of the color in Latin, and include 3 pictures or drawings of things that are that color.
- **Lucky/favorite number (10 points)**
  Write it out in Latin
- **Birthday (10 points)**
  Write it out in Latin words and numbers.

***Plan your poster carefully. If you are choosing to write your information, it might be best to write it on a piece of card stock, and then glue it to the poster. It is difficult to write directly onto a poster board. Design your poster on a piece of paper before you start your final product.
